

## Oklahoma Congressional District 1 Clean Campaign Pledge

By signing this pledge, you commit to:

- Talk about the issues in a constructive and meaningful way that your grandmother would be proud of.
- Hold all groups, both in district and out of district, accountable for the tone and tenor of any message they put out in reference to the CD-1 race or any of the candidates or campaigns.
- Ensure we hold each other with respect and accountability as we head into election day.

It's imperative Republicans unite together behind a common cause of returning to a government of the people, by the people. Signing this positive campaign pledge rejects the premise that outside groups can influence a vote of the people and sends a strong message to the swamp that candidates in the OK-CD-1 race cannot and will not be for sale.

I proudly take this pledge on the 12<sup>TH</sup> day of June 2018.
